Dearest Pat,
 I don't know what
 to say about a such
 a swell girl and friend. I
 want you to know that I
 think of you as one of my

Pat Pearce

Dear Pat,

This is a little late
 maybe a little out of date, but
 I feel the year to
 wish you this is
 the only thing close
 to you goes.

We've known each
 other a awfully long
 time. Haven't we?

It just doesn't
 seem right for
 each of us to be
 out of high school.
 I often wonder what
 we'll be doing a few
 years from now. It
 maybe we'll be as close
 as we are now. Best of luck

Dearest Pat,
It's really kinda hard
to believe that this is our
last year in school together - the
next year there'll be a long way
between us. There hasn't been anyone
that I have talked to more than I have
to you, and I guess that's because we've
always been such good friends that it sorta
helped. It's really kinda hard to know
what to say to you, but I guess you
know how much I think of you.

ABILENE, TEXAS

Dear Mr. Sublett:

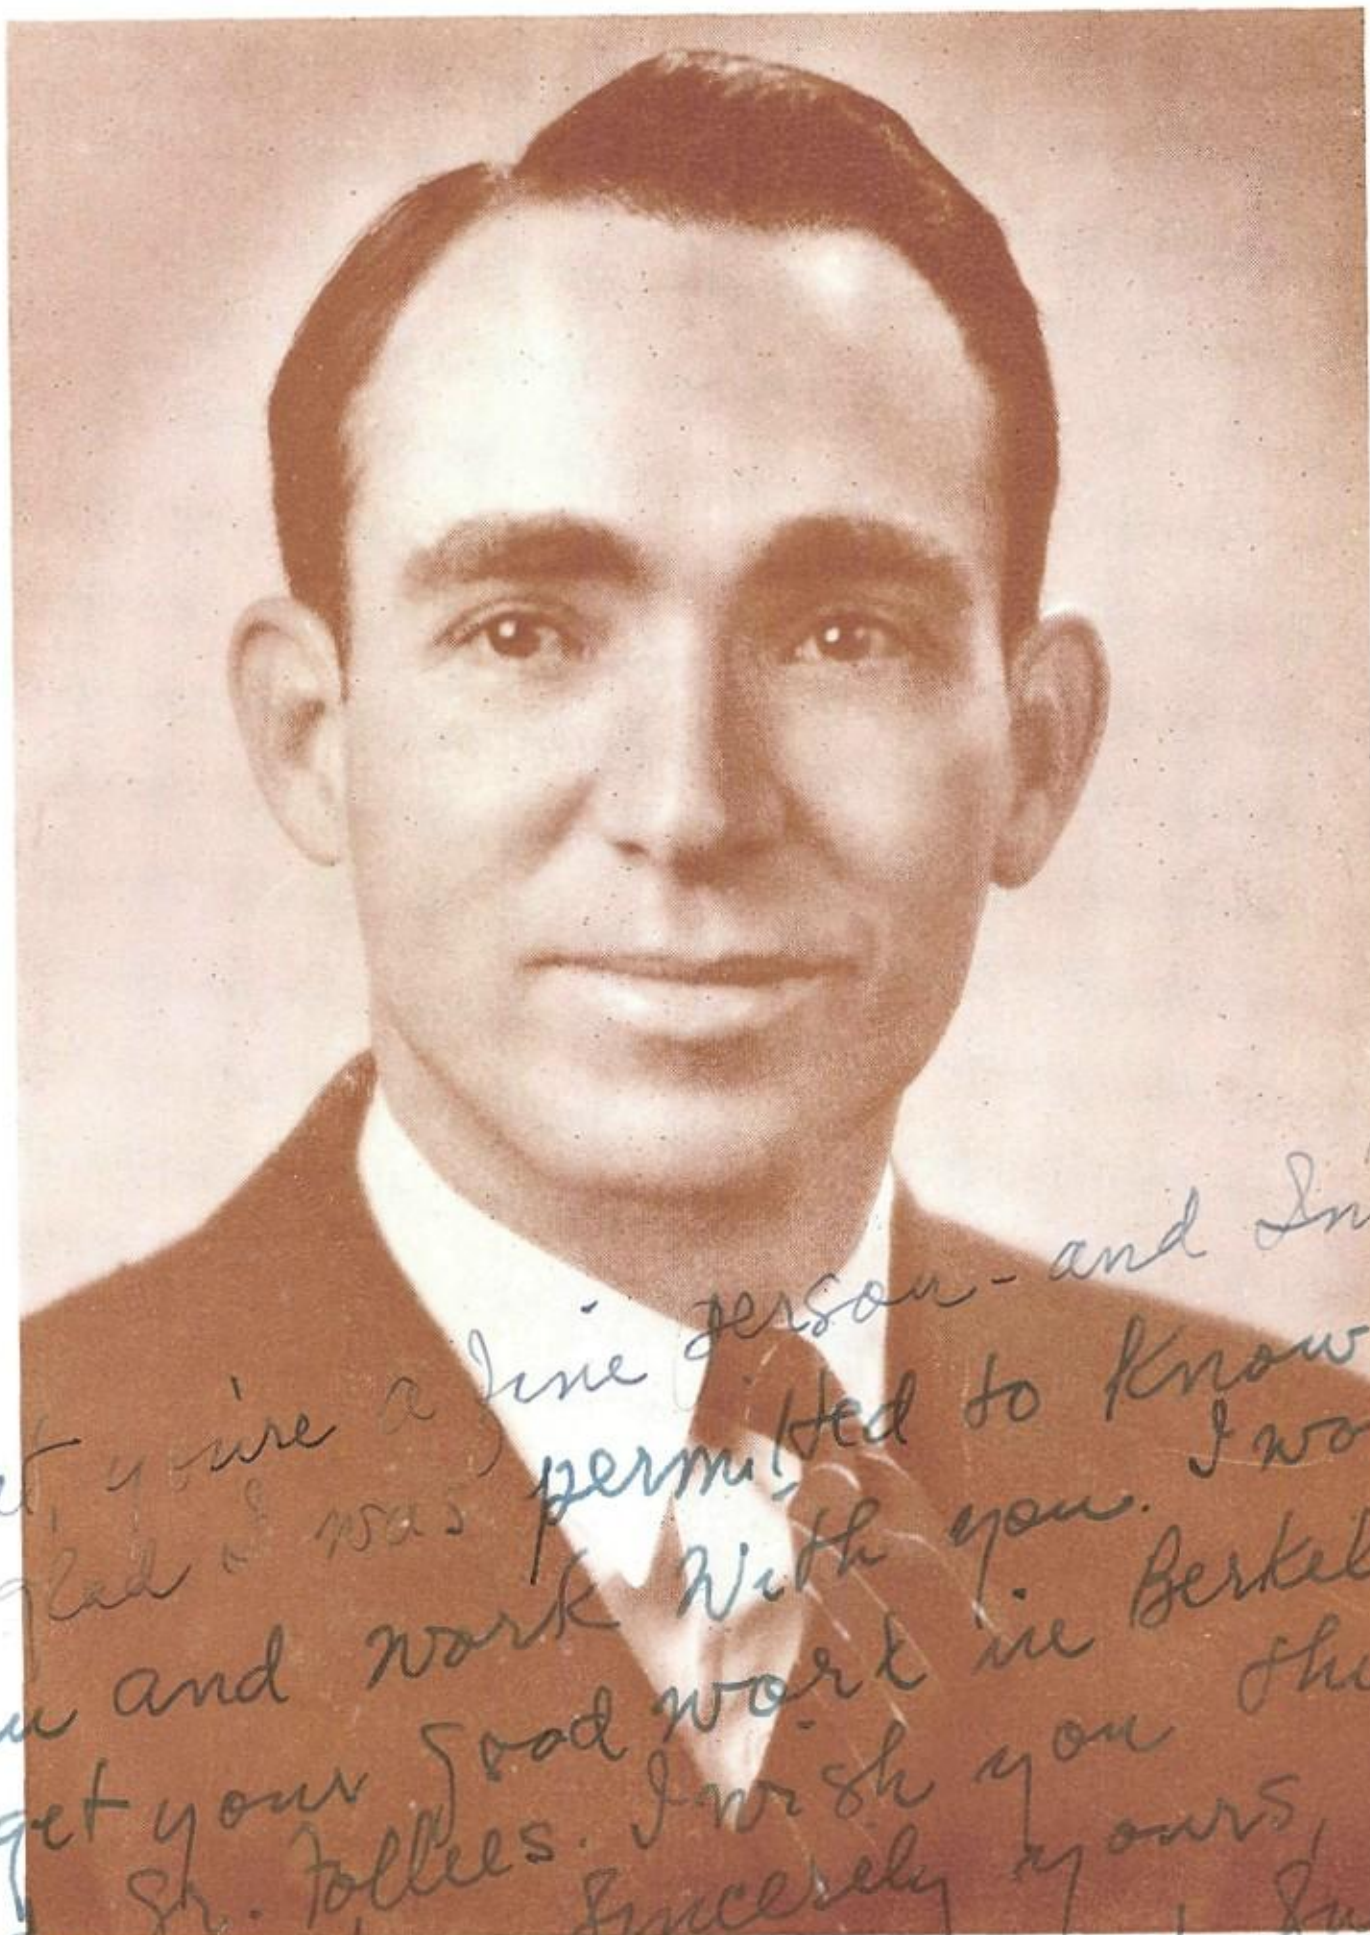

We take this opportunity to express our appreciation for the help and advice you have so willingly and pleasantly given us. Being mindful of the many beautiful flowers you have so graciously brought to brighten up our school, we hand you the biggest orchid of all, the 1947 Flashlight. Never shall we forget the countless hours you have spent making attractive and beautiful stage settings for our assembly programs and your original and efficient service in the dramatic department. Those who have worked with you in this department have learned to respect and admire you at all times.

Acting as both instructor and friend to us, you have taught us to appreciate the best in life, the value of accurate work, and the knowledge of good literature. You have made Abilene High School a better place in which to study. This volume of the Flashlight is yours, and we hope it will add to your happiness.

Lovingly,

FLASHLIGHT STAFF.

But you're a fine person - and I'm
so glad I was permitted to know
you and work with you. I won't
forget your good work in Berkeley Square
and St.rolls. I wish you the best
always!! Sincerely yours,
Ernest Sublett.

ERNEST R. SUBLETT

In recognition of his efforts to make a better Abilene High School, we dedicate this, the 1947 Flashlight, to Mr. Ernest Sublett, whose high ideals, liberal spirit, true character, and enthusiasm have been a great incentive to the students and teachers.

Dearest Pat, 

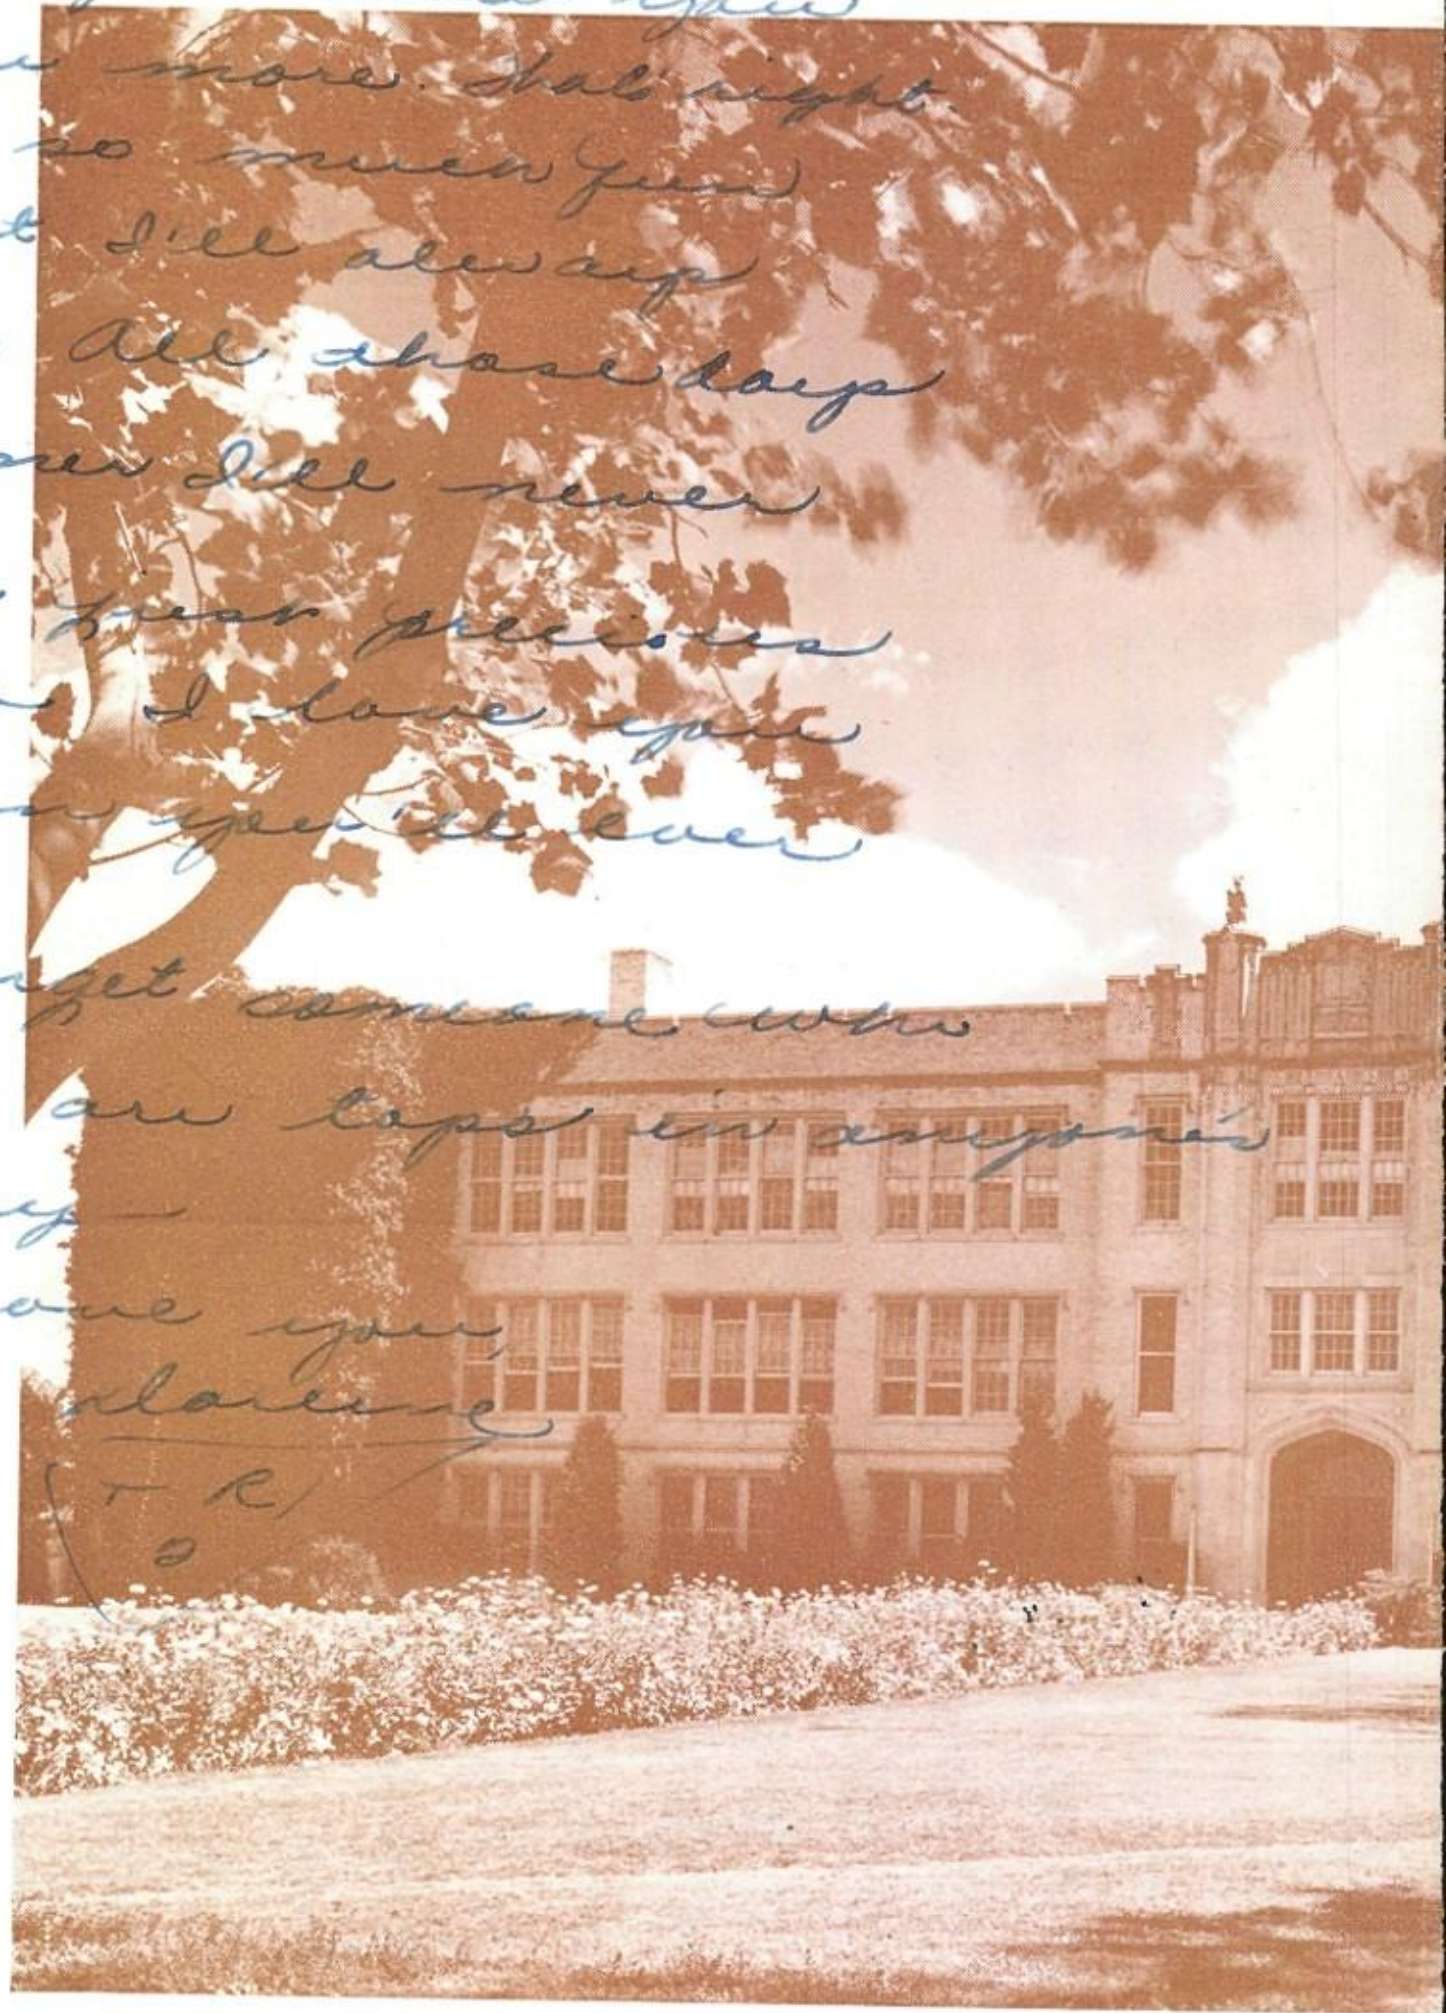

Every day I know you
I love you more. That night
we've had so much fun
together that I'll always
remember. All those days
last summer I'll never
forget.

You are just precious
Gee and I love you
more than you'll ever
know.

Don't forget someone who
thinks you are tops in anyone's
vocabulary.

I love you,
always

DEAR OLD

FOREWORD

In searching the corners of Abilene High School with the rays of the Flashlight, we have striven to preserve the life, activities, and friendships of the year 1946-1947. We have presented the work and play of the students with the emphasis on play. May this book recall to you many of the happy days when we all worked and played to maintain the true Eagle Spirit and the wholesome traditions of dear old Abilene High.

Dearest Pat,

Whenever I think of you, I know I will always remember Dallas because we had so much fun with our good blind dates! Well, "Steady", hon - you are the best darn friend anyone could have because you're so lovable and easy to get along with!! I just know there couldn't be anyone as dependable or friendly - as just as downright much fun as you have always been!!

Remember a gal that sure enough loves you - I mean it!! Here's looking at you, honey - "Madame Seaweed" etc.

ABILENE HIGH SCHOOL

We give you our FACULTY, who are always willing to help us; the CLASSES, who portray the students of our school; those charming and likable students chosen as FAVORITES and THE AWARDS FOR MERIT; the ORGANIZATIONS revealing the outside activities of each student; the Eagle sportsmen recognized in ATHLETICS; and we do not forget our friendly ADVERTISERS. As you see these pictures and read these write-ups, may you have happy remembrances of the year 1947.

Dear Pat
 It has
 really been wonderful
 knowing you all
 these years and
 I hope we can
 continue being the

MR. L. E. DUDLEY, M. A., LL. D.
 Superintendent

To the Students of Abilene High:

Again it is my privilege to extend a word of greeting to you. I want it to be a word of congratulation for a year's work well done, for opportunities not neglected, for promises fulfilled. It should, also, be a word of hope and confidence in the future. May your appreciation for all that is beautiful and good continue to improve with the years that lie ahead.

Sincerely,
 L. E. DUDLEY

Dear Mr. Dudley:

Your activities during the many years in the Abilene Public Schools are well known to all of us. We sincerely appreciate your efforts to make Abilene High School a better place, and we shall think of you often and miss you when we are gone.

Sincerely,

Mrs. Jackson, a letter, please.

MR. JOE C. HUMPHREY, B. A., M. A.
Principal

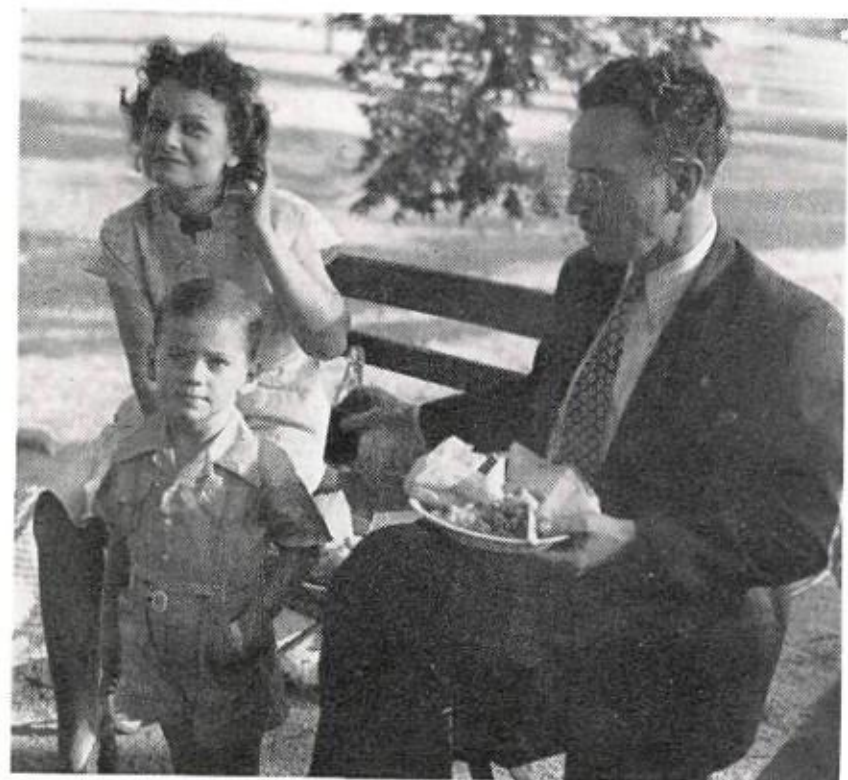

To the Students of Abilene High
School:

This school year will stand out in many of our minds for a long time. It happens to be one of those post-war years that most of us knew were coming.

It is my wish that you have learned these important lessons: preparation, adjustment, cooperation, loyalty, obedience, and fearlessness for right.

We wish for you continued success.

JOE C. HUMPHREY

The Humphreys go picnicking.

MR. J. H. NAIL, A. B., M. A.

Joel and Jimmy have a pet.

We have come to the end of another school year, but in doing so have begun many new friendships which will never end. We shall all remember the year 1946-1947 in different ways: the new friends made, new experiences, the fun we have had and the hard work that has been done. Let us make it all add up to real Eagle spirit that will always keep on a high plane of life.

May I congratulate those who are graduating and wish for each student of Abilene High School much happiness and success.

Dear Students:

Ideas rule the world. If you wish to have and exercise power, you will do well to fill your mind and soul with the best ideas and ideals to be found in great literature. Having stored this potential source of power, you will be ready to use the ammunition of your words and thoughts in the fight for a better world.

SEASON REVIEW

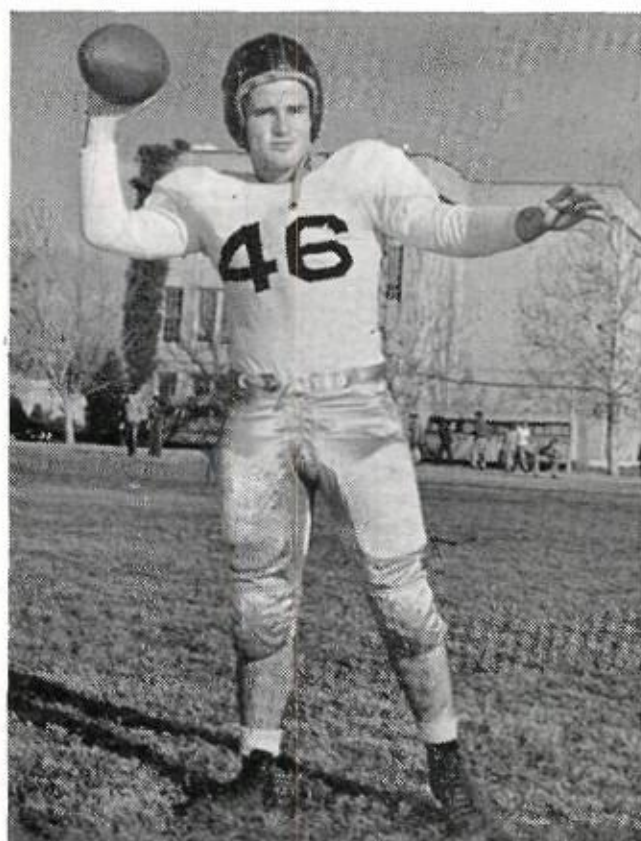

By EARL GUITAR

ABILENE 12—ODESSA 26

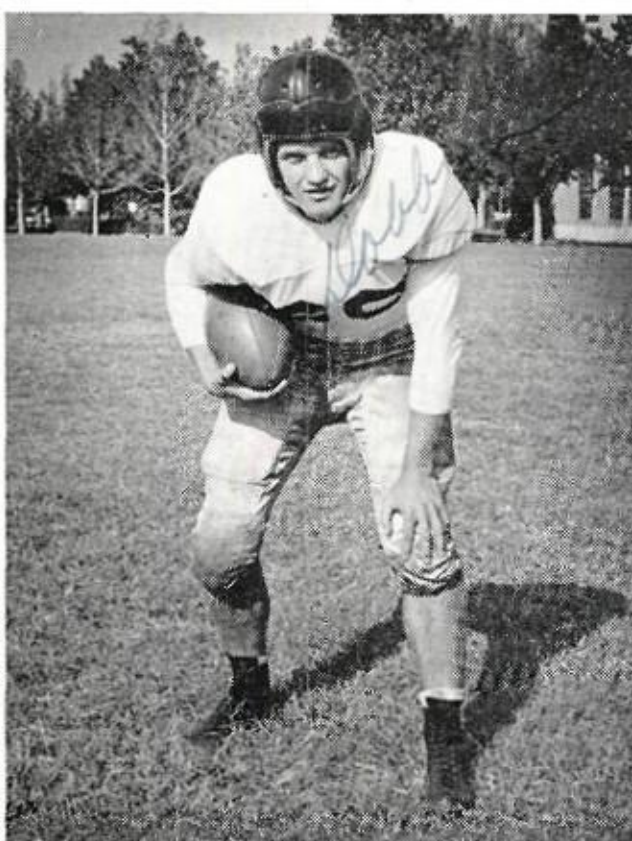

The Eagles invaded Broncho Stadium at Odessa to open their Conference play for the year before a crowd of about eleven thousand. The Eagle air attack was more than equal to the Odessa attack, but Abilene's ground game could not seem to click. Both Eagle tallies were the result of superb passes by Lloyd King—one to Hendley, the other to Middlebrooks. Midway in the second quarter the Eagles launched a drive with King passing to Middlebrooks and Hendley. Reily broke loose on the old statue of liberty play for twenty-six yards. Middlebrooks then scored on a 17-yard pass play from King. The score at the half-time was Abilene 6, Odessa 12. The Warbirds broke loose again late in the fourth quarter when Middlebrooks took a long pass from King to the one-yard stripe. Fullback Bob Reily plunged for the touchdown.

ABILENE 12—MIDLAND 27

The Eagles were hosts to the Midland Bulldogs in the second conference tussle of the year. After guard Bob Bailey recovered a Midland fumble on the opening kick-off, Reily and Hinton advanced the ball to the three-yard stripe. A few plays later Hinton plunged over left guard for the first Eagle touchdown. The Warbirds came back in the second quarter with a 43-yard touchdown drive. After Hendley took a long pass to the Midland 27-yard line, Hinton and Reily advanced the ball through the left side of the Eagle line to the one-yard line. After several unsuccessful tries, Hinton then took the ball over left guard for the score. The game ended with the Eagles on Midland's six-yard line.

ABILENE 13—SWEETWATER 28

The heavily favored Sweetwater Mustangs traveled by air to take the Eagles at the Eagle home field. Abilene was trailing Sweetwater by fourteen points when Bob Reily returned the kick-off for fifty-four yards. Pass interference moved the ball to the 30-yard line, where King passed to Beeman for a first down on the 16-yard line. Reily drove hard over center for another first down, but the Eagles were stopped on the two-yard line. King returned the Sweetwater punt to the 39-yard line. With a series of passes to Middlebrooks and Beeman, the Eagles worked the ball to the seven-yard line. King tossed to Hinton for the score, and Hendley's try for conversion was wide. Early in the third quarter Owen recovered a fumble on the 38, Reily picked up 16 yards on an end run, and King passed to Hendley on the three-yard line. On the next play Hinton hit the line for the touchdown, and Hendley's kick was good; but the Eagles were unable to pick up the two touchdowns margin.

LOSE SOMETHING, HAM ABILENE 39—LAMESA 0

Seven thousand fans turned out on Armistice Day to watch brilliant play of the Eagles against Lamesa. Abilene broke the scoring ice late in the first quarter with King passing to Hendley deep in the end zone. Hendley's try for conversion was good. The Eagles played better as the game progressed. After Guitar's kick was nullified by a holding penalty, King passed to Middlebrooks for the extra point. Shortly before the half, Dobbyn took a pass from King and ran forty yards for the tally. Early in the third quarter King went around end for seven yards and a touchdown; but as he crossed the goal line, he fumbled, and Bowers recovered the ball for the touchdown. Hendley's perfect kick made the score 27-0. King scored again shortly after to make the score 33-0. In the fourth quarter Dobbyn made a beautiful sprint after an interception to complete the score 39-0.

ABILENE 34—BIG SPRING 12

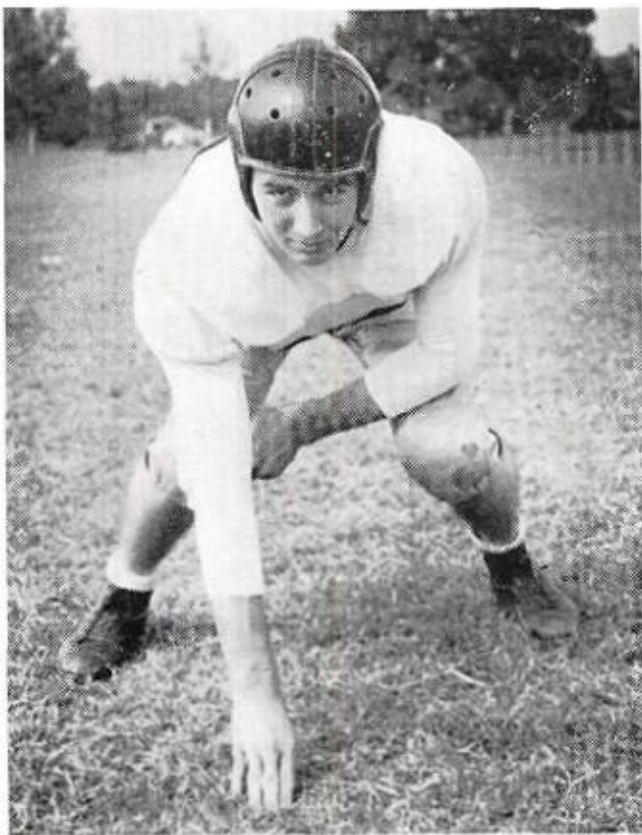

The Eagles continued their new surge for third place in District 3 AA, displaying their most powerful attack of the season to defeat the Steers at Big Spring on November 22. Abilene's pass attack could not be stopped, as four Eagle receivers caught twelve of King's fourteen passes. Lamar scored the first Eagle touchdown as a result of a blocked punt. Later, the Eagles again got possession of the ball on a pass interception. Hinton broke loose behind beautiful blocking for a 46-yard gain; then Hendley took a pass for 23 yards and a touchdown. As a result of a 75-yard drive and a nine-yard pass to Middlebrooks, the third Eagle touchdown was pressed over. Hendley kicked all the Eagles' first-half extra points to give a 21-0 half-time lead. After a slow start in the second half, the Eagles again scored on a skillful pass from King to Owen. With Guitar's extra point-kick, the score stood Abilene 28, Big Spring 6. Dobbryn and Hinton made three long runs to set up King's 23-yard touchdown pass to Hendley. Thus at the close of the game the score was Abilene 34, Big Spring 12.

FOOTBALL

ABILENE 14—SAN ANGELO 6

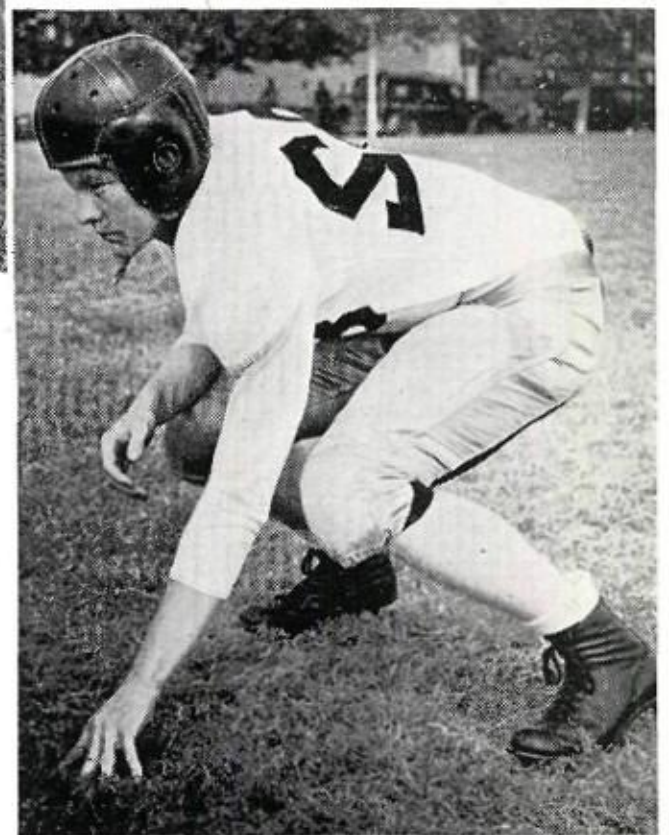

The Abilene Eagles played like a State-championship-bound ball club before a crowd of five thousand fans at San Angelo on Thanksgiving Day. Slamming over two quick touchdowns, the Eagles staved off a late Angelo attack to finish District 3 AA in third place. King looped a long pass over the Bobcats' secondary to Hinton, who ran the remaining seventy yards in the first three minutes of the play. When the Eagles again received the pigskin, they moved deep into Bobcat territory on a pass from Hinton to Hendley. Hinton then passed to Hendley for the distance, but the play was called back on a penalty. A few minutes later the Eagles received a punt on their own twenty-nine-yard line; then Dobbyn ripped through a hole on the right side of the line, veered to the left, bounced off a couple of Bobcats, and raced seventy-one yards for the next touchdown. Hendley added both points from placement. It looked as if the Bobcats were in for a terrific thumping, but our team cooled off after a fast start. The Eagles held a good defense for the rest of the game to win by a clear margin.

The A Association is one of the few organizations which you can become a member of by receiving an athletic letter. To be eligible for the club, one must have received a major sport award. This is the organization which promotes most of the activities of the athletic department. When there was an athletic event, this club sponsored the selling of cushions and sometimes programs. The principal goal for this year is the raising of funds to buy a trophy case to be placed in the gymnasium. If this is secured, the athletic trophies and pictures of the various teams will be placed in the main hallway of the gym. The planning of parties and most athletic social events are planned by this club.

To the Eagles:

During this year we haven't won the championships that I would have liked you to win; however, there has been a definite improvement in efforts. To those of you who are graduating, we extend our best wishes. We are always for you. Call upon us when we can help you. To those of you who will be with us next year, we wish a most successful year.

Great teams are developed through many months of hard work long before the championship games are played. May you have the spirit of a champion—the spirit of a great Eagle.

Dearest Pearce -

Pearce, you will never know how much I love you and ~~for friendship's sake~~ I've appreciated you in Siwanasis. You are one of the sweetest persons I have ever known and I will never forget you. Remember our old graduating class and one who looks the world of you. — Cafford

Dear Patricia

Pearce, I guess you know you're one of the best girls I've ever known. Say, when are we going to celebrate our birthdays together? I'll always remember you as one of the best girls in old A.H.S. (in the dear old days; if you read this when you're old and thirty) not a of much.

Judge

Dearest Pat,

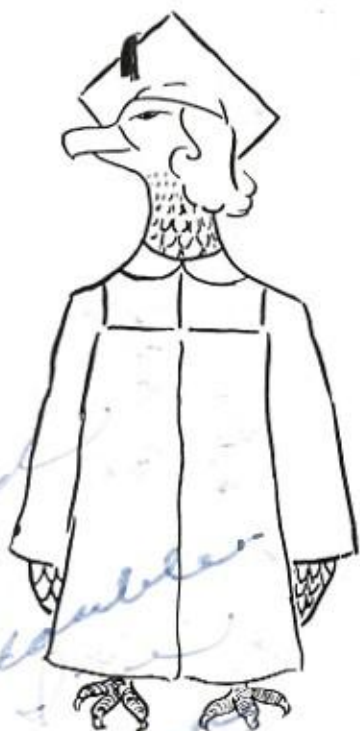

It's really been swell being with you these years in Scouts, Siwanasis, and dear old A.H.S. I think you're a darling girl, and I admire that pep and vitality of yours. I hope you have the best of everything in the world of tomorrow. Good luck!

Love,
Joan Shackelford

Dear Pat,
I've been through everything but the
high water together during school and we still
are good friends. (hope) It looks like we may get
through school after all even though I did
have to pass on you a little in English, Chemistry,
Math, and Typing and Civics. The bidding aside though
Pat you are one of the sweetest and cutest girls
I've ever known. I hope we will continue to be friends.

 Girl I know. If you stay so sweet (especially Brightness)
 As you are now you'll get by all right. I really think
 This is real no "annual bull" and I'm sure
 saying this from the bottom of my heart. You'd better have written

Dearest Pearce, 

Gosh, Pat I hate to see this year
come to a end, because we probably won't
be seeing as much of each other in the
comming years as we have the since central to
High school. Pat I'll never forget all the
good ole times we had at central and this
year. I'm really glad the ~~9/6~~ & M-D have
gotten along so good this year. I know that
you will be a big hit in college.

Luck to ya Pat. Always remember
me.

Love you -

Leach

Bought pictures, dance, etc.
(and friends).
